JUNIOR ACADEMIC & CULTURAL PROGRAMME

fclc | edinburgh
fettes centre for language and culture

Hello & welcome to FCLC Edinburgh

Dear Student,

Welcome to Fettes Centre for Language & Culture at Fettes College in Edinburgh. Our mission is to enrich our students' lives by enhancing their lifelong learning through a high quality, thought-provoking EFL programme that not only makes them more confident users of the language but also broadens their horizons and promotes kindness as well as instilling respect and acceptance of others. As part of this, we will introduce you to Scotland and its capital city, Edinburgh, with its history and culture. With Fettes College only one mile from the city centre, we are ideally placed to take full advantage of numerous places of interest such as Edinburgh Castle, Dean Village, the Old & New Towns and Edinburgh's many attractions.

FCLC's academic programme is based on weekly themes, which are explored in class and further developed outside class on excursions and activities. The teaching day is made up of three sessions, all taught by the same teacher, and will include assigning and correcting homework, language input, task based activities and engaging material based on our excursions. While some lessons will focus on grammar, vocabulary and phonology, FCLC's main goal is to help its students communicate and to become more independent, confident users of the language, primarily while speaking. Teachers prepare their own lessons and show their plans for the week to their students at the start of each week so you can prepare for the lessons and negotiate the syllabus to ensure maximum benefit.

This information pack aims to provide you with all the information that you need to get the most out of your time at FCLC Edinburgh, including:

Everything you need to know

MEALS & DINING FCLC offers three meals per day plus mid-morning and evening snacks. Meals are provided in the dining hall at Fettes College and include a continental breakfast, a three-course lunch and dinner as well as fresh salad, fruit and vegetables. Evening snacks are available in house. All meals are freshly prepared by our own chefs and vegetarian and vegan options are always available. Please advise the FCLC team should you have any dietary requirements or allergies.

ACCOMMODATION Single, twin, triple, quad and multi bedded rooms, up to 14 beds, are available within the seven boarding houses on campus. All the students in a group are accommodated in one house and all individual students are accommodated in one house. Boys and girls are accommodated on different floors. Bathroom and shower facilities on each floor are shared at a ratio of approximately 1:6 (single cubicles). Each boarding house has a common room for relaxation and house meetings as well as a computer room.

STUDENT WELFARE We employ two Student Welfare Managers who are always available if you are unwell, homesick or need someone to speak with. We operate an overall on-campus student-to-staff ratio of at least 15:1 with a minimum of three FCLC staff within each house, including a Senior Activity Leader, who is in charge of the house.

VALUABLES On arrival, passports, plane tickets, insurance documents and pocket money are stored in our safe, where you or your group leader can request money for you at designated times. As students' rooms are not lockable, we advise you not bring items of high value. Small items of value can be stored in our safe on arrival and collected on departure. For other items, we suggest you bring a lockable suitcase. FCLC does not take responsibility for students' belongings and cannot be held responsible for any loss or damage to these items.

SECURITY Fettes College is a gated community and provides 24-hour onsite security.

LAUNDRY, BED LINEN & TOWELS FCLC provide bed linen and towels for students. Towels are changed twice per week and sheets are changed once per week. There are laundry facilities within each boarding house for students to wash their clothes. FCLC provides washing powder. Group leaders

help students in their group and our staff assist individual students.

LEAVING THE CAMPUS You may not leave the Fettes College campus at any time without a member of the FCLC team or your group leader. If you would like to leave campus with a family member, this must be arranged in advance and confirmed in writing to and by the General Manager.

COMPUTER & WIFI ACCESS Students have access to computers within their accommodation at specified times during the day. There is free on-campus Wifi from 7:30am to 10:30pm. By logging onto the Fettes College network, you agree to abide by the Fettes College internet usage policy, which forms part of our child protection policy and is available to view on our website.

MOBILE PHONES As our programme is designed to encourage communication with other programme participants, mobile phones and other electronic devices are not allowed in the Dining Hall, during activities or in class, except when the teacher instructs you to use one. Use your time in Edinburgh to get to know the people around you rather than gaming and chatting with friends back home!

SMOKING Smoking at any time, anywhere during the programme is not allowed and may result in being sent home at your parent's expense.

STAFF RECRUITMENT Our staff are selected through a process which includes a personal interview and reference checks. All staff are members of the PVG Scheme, which checks their suitability for working with under 18s. Selection is based on a candidate's personality, relevant experience, education and professional qualifications in relation to the criteria within the job description.

GRADUATION Progress reports are prepared by the academic team and presented to the students on the final day of their course along with a certificate of studies at a graduation ceremony held in the stunning Fettes College chapel.

STAFF & STUDENT IDENTIFICATION All activity staff wear a navy blue t-shirt and a grey hooded sweatshirt with our company logo on the front and the word STAFF on the back. All staff wear an identification badge attached to a lanyard.

Students and group leaders also have an identification badge and lanyard containing their name, the school name, the house they are staying in and the school's emergency mobile number. Lanyards must be worn at all times on- and off-campus. If you see anyone on campus not wearing Fettes College or its associated companies' identification, please speak to a member of staff or call the emergency number given on your lanyard.

EMERGENCY CONTACT INFORMATION The school's emergency contact number will be printed on your identification lanyard. Please only use this number in case of an emergency, for example, if you are on an excursion and get separated from your group or need medical assistance.

MEDICAL & DENTAL TREATMENT Currently, EU and Swiss students can receive free emergency medical treatment from the NHS upon presentation of their EHIC card. All other students are liable to pay a consultation fee plus treatment costs. All students must have medical/travel insurance in place for the duration of their course and students from the EU should bring their EHIC card.

LIABILITY FCLC cannot be held responsible for any loss, theft or damage to any personal property of guests, delegates, students, group leaders or any third parties employed by the client during any part of the summer programme.

WHAT CLOTHES TO BRING In addition to English lessons, you will be spending a lot of time outside, so remember that Scottish weather can be wet and windy! We therefore recommend bringing trainers, sportswear, a waterproof jacket, a warm jumper or coat and party clothes for the whole school discos and events, in addition to sun cream, just in case. We provide each student with an FCLC branded water bottle.

LESSON ATTENDANCE & PROGRAMME PARTICIPATION You must attend all lessons and participate in all parts of the programme. The only reasons that you may miss classes or activities is if you are ill or if your group leader or parent has agreed permission with the General Manager for you to be elsewhere. We promise, however, that you will want to attend the lessons and activities!

We aim to provide our students with a highly integrated experience while immersed in an English-speaking environment. The experience begins at breakfast, where the students mingle before going to class and continues throughout their busy day. Although what is done in each teaching session may be different every day, below are approximate timings for a typical week at FCLC Edinburgh.

MONDAY TO FRIDAY

8:00 to 8:45 Breakfast

9:00 TO 10:20 SESSION ONE After a motivating warm-up activity, homework is checked and the teacher directs language input based around the weekly theme.

10:20 to 10:35 Students have their morning break where they can grab a snack in the dining hall, socialise with other students, play games or relax.

10:35 TO 11:55 SESSION TWO Ideas from the book the weekly theme is based on are explored through published material or material unique to FCLC. Homework for the following day is assigned.

11:55am TO 12:10pm Second morning break

12:10 TO 1:00 SESSION THREE The teachers use Power Point presentations to prepare their students for the excursion they will go on that afternoon or at the weekend.

1:00 TO 1:30 Three-course lunch in the dining hall

1:30 TO 2:00 Free time to socialise with friends

2:00 to 5:30 The students are offered different experiences on each day of the week. On Mondays, they take part in sports or activities on campus. On two other days, they go on an excursion in Edinburgh with their teacher and class. On another day, they take part in a project sessions on

Our highly integrated programme

campus and on Fridays they take part in the end-of week chapel service/graduation ceremony in the Fettes College chapel before going out shopping or site-seeing.

5:30 to 6:30 Homework and socialising in house.

6:30 to 7:15 Three-course dinner

7:30 to 9:00 Evening events usually involve the whole school, either as participants or audience or a bit of both. Some evening events, like the Fettes College Ghost Tour and the International Evenings, are based on the weekly themes while others, like Capture the Flag and Slip 'n' Slide, are regular favourites.

9:00 to 10:00 In-house snacks, wind-down and get ready for bed

SATURDAY & SUNDAY The students go on full-day excursions to carefully selected destinations within and outwith Edinburgh. In a short stay of two or three weeks it is not possible to visit everywhere, so we try to choose destinations that are interesting and enjoyable and that give our students an impression of what the rest of the country is like. With that in mind, one excursion each weekend is usually to a famous place like Glasgow, Stirling or St Andrews while the other excursion is usually to a lesser-known place, such as Culross, Bannockburn, Peebles, Jedburgh, the Scottish Deer Centre or Linlithgow. On returning from Saturday excursions, there is always a major whole school event such as Fashion Trashion, where students work together to design an outfit made of disused material and select a model to showcase their work on the FCLC catwalk. A panel of judges selected from our activity staff awards points to each team for their creativity, style and humour. After Sunday excursions, activities are more low-key, with existing students welcoming new students into their house.

Abusive behaviour policy

FCLC wants everyone on our programme to feel safe, included and respected. Therefore, abusive behaviour by anyone (staff, group leaders and students) is not accepted. If someone treats you in a way that you do not like or if you see someone treating someone else in a way that they do not like or that makes you feel bad, speak to a member of our staff immediately.

Abusive behaviour includes hurting or trying to hurt someone as well as making someone believe that you might hurt them. This could be physical, emotional, sexual or verbal.

Students who are mean to other students may have to leave the programme and go back to their country. In serious cases, we may contact the police.

Examples of abusive behaviour include:

- Hurting someone (for example, hitting, kicking, pushing, biting, spitting)
- Making someone believe you are going to do something bad to them (bullying)
- Sexual harassment
- Using offensive or rude words when talking to or about someone
- Having something that can be used to hurt someone, such as a knife
- Bothering someone by following them or sending them a lot of messages, emails or gifts
- Treating someone differently because of their gender, sexuality, religion, nationality or race
- Damaging or taking something that does not belong to you

We want the FCLC programme to be a wonderful experience for everyone, so let's all treat each other with respect and kindness.

For our full Child Protection Policy including our Abusive Behaviour Policy, please visit our website, www.fclcedinburgh.com.

Anti-radicalisation policy

Prevent is a government strategy to stop people becoming involved in violent extremism and/or supporting terrorism and applies to any form of extremism, including Muslim terrorism, racism, homophobia, right-wing ideologies and sectarianism. FCLC seeks to provide and maintain a supportive and tolerant environment for everyone in our programme and supports and promotes core British values including:

- Democracy
- The rule of law
- Individual liberty
- Respectful tolerance of different lifestyles, faiths and beliefs

Should you have any concerns, however small, that any student, staff member or group leader holds extremist views, please contact FCLC's General Manager, Greg Burrell, at g.burrell@fettes.com, on his office number, 0131 297 5251 or on the 24-hour emergency number, 07788 667574.

All reports will remain confidential and will be dealt with quickly, sensitively and carefully.

For our full child protection policy, please visit our website, www.fclcedinburgh.com.

Student disciplinary procedure

Behavioural issues are any conduct that clearly impacts on a student's own or another student's progress, or behaviour that disrupts or detracts from the academic or cultural programme.

VERBAL WARNING

If a student's behaviour is causing disruption to a lesson or activity, he or she will be given a verbal warning by the teacher or activity leader. This means warning of further action, which may include:

- Informing the General Manager or Student Welfare Managers (as relevant depending on circumstances)
- Informing their parent
- Missing the weekly disco or other activity

We hope that a verbal warning will be enough to end the inappropriate behaviour. However, if further action is required, it will be done by a member of the management team.

GROSS MISCONDUCT

In cases of serious misbehaviour, students are liable to be sent home at their parents' expense. Gross misconduct may include, but not limited to:

- Smoking
- Consumption of drugs or alcohol
- Assault on another student or member of staff
- Stealing
- Bullying
- Abusive behaviour

If a student is caught doing any of the above, it will be reported to the General Manager, who will inform the Director of Fettes Enterprises, will investigate the incident and consider the appropriate sanction to be imposed.
